## 6. How long will we store your data?

GLOBAL TECHNIA will store the user's personal data during the time that is reasonably necessary to: comply with any of the other purposes mentioned in this Privacy Policy, comply with current legislation, regulatory requirements, and pertinent orders of competent courts, or, in any case, while we send you information and the interested party does not request its suppression or opposition.

Your personal data will be anonymised or deleted once it is no longer relevant for the purposes for which it was collected.

## 7. Who are the recipients of the data communication?

As indicated in the previous section, the personal data that GLOBAL TECHNIA collects is exclusively used for the purpose defined on the GLOBAL TECHNIA Website. To achieve this objective and the correct provision of the service, GLOBAL TECHNIA may share certain personal data:

- Prior legal requirement, GLOBAL TECHNIA may share information with organisations of executive authorities and/or third parties regarding requests for information related to criminal investigations and alleged illegal activities.
- With the consent of the user: apart from the consent previously established, users will be informed if any information about them is provided to commercial partners of the Website, or to third parties, for purposes other than those declared on the GLOBAL TECHNIA Website (for example, for commercial purposes), so that they could decide that their information is not shared. None of the above data communications include selling, renting, sharing, or otherwise revealing users' personal information for commercial purposes in a manner contrary to the commitments acquired in this Privacy Policy.

## 8. International transfers

If we make transfers of your personal data to a third country, that is, a country outside the European Economic Area (the countries of the European Union plus Liechtenstein, Iceland, and Norway), we will comply with all the laws applicable to such transfer, including ensuring that your personal data is kept secure and the presence of safeguards to ensure that there is adequate protection. For this effect, GLOBAL TECHNIA will use standard data protection clauses adopted by the European Commission.

## 9. What rights does the user have according to the data provided?

The user may exercise the following rights before GLOBAL TECHNIA:

- **The right to be informed:** The user has the right to be provided with clear, transparent, and easily understandable information about how we use your information and your rights. Therefore, we are providing you with the information in this Privacy Policy.

- **The right of access:** The user has the right to obtain access to their own information (if we are processing it), and certain other information (like that provided in this Privacy Policy). This is so you are aware and can check that we are using your information in accordance with data protection law.
- **The right to rectification:** The user is entitled to have their information (inaccurate data) corrected if it is inaccurate or incomplete.
- **The right to erasure:** This is also known as 'the right to be forgotten' and, in simple terms, enables you to request the deletion or removal of your information where there is no compelling reason for us to keep using it. This is not a general right to erasure; there are exceptions.
- **The right to restrict processing:** The user has the right to 'block' or suppress further use of their information. When processing is restricted, we can still store your information, but may not use it further. We keep lists of people who have asked for further use of their information to be 'blocked' to make sure the restriction is respected in future.
- **The right to data portability:** The user has the right to obtain and reuse their personal data for their own purposes across different services.
- **The right to withdraw consent:** The user has the right to withdraw to certain types of processing, including processing for marketing purposes. Except for compelling legitimate reasons, or the exercise or defence of possible claims.

The exercise of the rights is very personal; therefore, the user must prove his/her identity.

To exercise the rights provided for within the law, users can contact GLOBAL TECHNIA at [info@b-global.tech](mailto:info@b-global.tech) or by writing to the address listed in section 1 of this Policy. The communication must contain the following data and documents:

- Full name of the interested party, enclosing a photocopy of the National ID No. or other valid document that identifies him/her and, where appropriate, the person who represents him/her; the use of electronic signature will exempt presentation of these documents.
- The address of the interested party and petition for the specific request (the right to be exercised).

The user will also have the right to submit a claim to the Spanish Supervisory Authority ([www.aepd.es](http://www.aepd.es)) when so deemed appropriate.

## 10. How is users' data protected?

GLOBAL TECHNIA informs the user that it has adopted the necessary technical and organisational measures required by current Data Protection regulations to guarantee the security of your data to avoid its alteration, loss, access, or unauthorised processing.

As mentioned previously, the personal data provided by users through the GLOBAL TECHNIA Website will not be transferred to other entities or companies to be used for their own purposes. However, some companies subcontracted by GLOBAL TECHNIA may have access to personal data and personal information, always under the exclusive control of GLOBAL TECHNIA, for the sole purpose of providing a service necessary for the correct functioning of the GLOBAL TECHNIA Website.

## **11. Modifications**

GLOBAL TECHNIA reserves the right to modify this Privacy Policy in accordance with the applicable legislation. Therefore, it is recommended that users periodically review this Privacy Policy to be informed of the data processing and data protection, as well as the rights they are entitled to.

## **12. Applicable law**

This Policy is governed by and construed in accordance with Spanish law, as is the resolution of any dispute or divergence related to this Website. The use of the services of this Website implies express acceptance of Spanish jurisdiction.
